WHERE DOES OUR MEAT COME FROM?

Our **Saltmarsh Lamb** comes from Romney Marsh and has a succulent, sweet flavour as a direct result of the natural marshland grasses and samphire which the sheep graze on freely throughout the summer months.

Our pork and our pork sausages are **Gloucester Old Spot**. This rare breed pig is slow-reared to 26 weeks in a totally stress free environment, which gives a tender, succulent and fine grained meat full of flavour.

Newton Farm Beef comes from a herd that graze the parkland around Newton Manor and on river meadows at Great Shelford, just minutes away from Bury Lane.

Our **Duck Lane Farm Chickens** live in small, fancy sheds in Bedfordshire where they enjoy the best views.
